**Hi**

**My name is Dave Denize and here is a little about my music.**

## **SOLO**

**I am a singer/songwriter, and have been performing at Cafes, weddings, birthdays and events for a number of years. Anything from relaxed background music, performance and music to dance to.**

**I accompany my vocals with guitar and sometimes harmonica, mixed through my own amplified sound system.**

**I also have a selection of professional quality backing tracks which I sometimes use later in my performance. This can add variety and a different dimension to my music.**

**I am always adding to my repertoire, which encompasses the 60's through to today.**

**As a song writer, I have written several for special occasions, including weddings and centennials. I enjoy this aspect of personalising my music and those who have asked me to, have been impressed and pleased with the result. Please talk to me about penning a special song for you if you wish.**

## **DUO**

**If you are looking for something EXTRA , I also Duo with a very talented young female musician; SammyJo Devries.**

**We are regular entertainers for a local cafe and also perform for parties, birthdays and weddings.**

**SammyJo is a gifted Singer and guitarist and we have an exciting repertoire.**

**We accompany vocals with our own instruments and also use professional backing tracks during our performance.**

**SammyJo Devries
